

# OUR STRUCTURE

We work closely with brands of all sizes to tell sustainability stories through websites, reports, videos, articles, social media, and more. Our small, service-minded team works with brands of all sizes from concept through execution.

**We're organized as a single-member LLC owned and operated by Sarah Coffey, who maintains a collective of collaborators.**

We're experts at helping responsible companies tell the story of what they're doing and why it matters. We've created award-winning reports for multiple brands, and we're experienced in SASB, TCFD and UN frameworks. As of 2023, we've also undergone training for ISSB/IFRS frameworks. The services we offer include:

- Sustainability strategy
- ESG reporting
- Branding, messaging, and voice
- Video production
- Editing and copywriting
- Web design and development
